11. Summary							

Mission and Plan

To further the PP mission through the use of leaflets and printed matter in addition to small quantities of selected consumer goods, to be airdropped over Albania at intervals sufficiently frequent to keep alive the spirit of passive resistance and the hope of eventual liberation.

Summary

1. There was one leaflet flight on the night of 23/24 August. One million copies of the Shqiperia digest were dropped over the principal cities and the lighted localities along the flight path.
2. The digest contained articles on the recent replacement of Enver Hoxha as Premier by Shehu; the opportunities to escape from Albania; the treatment accorded the Nikolla brothers, who escaped by drugging the captain of the boat DYNAMO and forcing the crew to take the boat to Corfu, and their emigration to the U.S.; and various new items.
